

GARY WILLIAM DENNIS ~ Class of 1971

September 18, 1953 - September 6, 2006

We did not know that morning
God was going to call your name,
In life we loved you dearly,
in death we do the same.

Lake Chelan, Washington

It broke our hearts to lose you
but you did not go alone,
For part of us went with you
the day God called you home.

September 6, 2006

Gary was born September 18, 1953, in Richland, Washington, to Otis W. and Mildred Hollick Dennis. During his teens, one of the things he enjoyed most was fixing up and racing dirt bikes. He graduated from Richland High School in 1971 and soon thereafter joined the United States Navy, honorably serving until 1980. Upon his return to the Tri-Cities, he began his career with Battelle/Pacific Northwest National Laboratory, where, over a 26-year period, he was involved in all phases of laboratory management, including logistical planning, cost accounting, system design, program coordination and test scheduling, supervisory management, and public outreach. During this time, and among other notable achievements, Gary served on the Richland Housing Authority Board, received his Associate's Degree in Business,

and was
pursuing a Bachelor's in Business from Washington State University.

Gary's greatest passion was the water oceans, lakes, streams, and rivers. Somehow -
though
not surprising to those who knew him well Gary was able to match that passion with
his work.
He was the Research Operations Manager at the Battelle Marine Sciences Laboratory in
Sequim,
Washington, with responsibility for the wet labs and research boats. Just this year,
Gary
assisted in developing the specifications for and providing oversight during the
purchase of
a new Marine Biology research vessel. He spent many weeks each year piloting
Battelle's
research vessels and executing various research projects at the mouth of the
Columbia River,
in the Straits of Juan de Fuca, Puget Sound, as well as on the Upper Columbia River
in this
area. Gary recently, and with great pride, received his '6-Pack' License from the
United
States Coast Guard. At work and at play, Gary was always on or around the water. He
was
brilliant at all he loved to do, especially in his profession, and took great pride
in all of
his work.

You left us peaceful memories,
your love is still our guide,
And though we cannot see you,
you are always at our side.

Gary will always be remembered as possessing a quick wit - always able to make the
heaviest
moment lighter and the dreariest day brighter. Claiming his right as the official
Captain of
his vessels, he christened the new Marine Biology boat, in his typical Gary humor,
'Desdemona' knowing that all mariners curse that dangerous sandbar at the mouth of
the
Columbia!

Gary's fabulous smile will never be forgotten his great laugh will ring on in our
hearts and
memories. And who could ever forget the Gary swagger? He was always there for anyone
who
needed him never asking for anything in return. Gary, in simply being himself, was
the true
definition of a friend. His morning walks with Sadie, his daily conversations with
his
brother, and his goodnight kisses to Lori are all irreplaceable.

Those of us who are left at the shore, awaiting the time we will join him onboard

again
include Lori, his beloved soul mate, first mate and wife; son Billy and wife Teresa
Brown;
beautiful grandchildren, Elijah Brown and Malia Brown; father and stepmother, Otis
W. and
Elsie Dennis; brother and wife, Rick and Allyson Dennis; 'second' mom, Natalie
Hobbs; very
special friends, Obie and Judy Amacker and Dick and Trudy Ecker; and his special dog
baby,
Sadie.

Gary was so beloved by so many if you count yourself as one of those friends know
that Gary
treasured his special times with you.

Our family chain is broken,
and nothing seems the same,
But as God calls us one by one,
the chain will link again.

His mother, Mildred Hollick Dennis and his special pet babies, Melba, Ming and
ChiChi, were
there to greet Gary on the other side's dock, and welcomed him into Eternal Life.
Gary is now
cruising forever on the bluest, purest waters one can only imagine with the perfect
breeze at
his back and the perfect sky above him.

If Tears Could Build A Stairway

If tears could build a stairway
and thoughts a memory lane,
We'd walk right up to heaven
and bring you home again.
No farewell words were spoken.
No time to say good-bye. . .
You were gone before we knew it
And only God knows why.
Our hearts still ache in sadness
And secret tears still flow. . .
What it meant to lose you
No one can ever know.
But now we know you want us
To mourn for you no more
To remember all the happy times
Life still has so much in store.
You will never be forgotten
We pledge to you today. . .
A hallowed place within our hearts
Is where you'll always stay.
God knows why with chilling touch
Death gathers those we love so much. , ,

And what now seems so strange and dim
Will all be clear when we meet Him,
We knew you but a Moment.

Memorial services will be held on Thursday, September 14, 2006, at 2 p.m. at the Richland Lutheran Church, 901 Van Giesen, Richland, WA. After the services, a reception will be held at the Richland Yacht Club, 350 Columbia Point Drive, Richland, WA.

In lieu of flowers, please make a donation in Gary's memory to the Benton-Franklin Humane Society, 8620 W. Gage Blvd., Kennewick, WA, or to the Columbia Basin Dive Rescue, 1960 Butler Loop, Richland, WA or to any charitable organization of your choice.
